Product Description

Hustler Dash XD 48" Zero Turn Mower - 940767

The Dash XD is the big brother of the Dash. The upgrades include more deck sizes, a more bolstered seat, more horsepower with a Kawasaki engine, and larger BigBite™ rear tires. At this price point, the Dash XD's beefy construction clearly separates it from other brands at this price point. This is a great replacement for an inefficient lawn tractor.
