Product Description

Hustler Raptor XDX 60" Zero Turn Mower - 939843

The Raptor XDX is at the top of the residential zero-turn category. It has commercial-grade features like a 10-gauge fabricated deck, cast steel deck hangers, vented and toolless removable pulley covers, and reaches up to 8mph with Hydro-Gear® ZT-3100® commercial transmissions. The 5-inch-deep deck allows the XDX to mow through thick grass at top speeds. The heavy-duty XDX is backed by an industry-leading 3yr / 300hr warranty and 1yr / 300hr commercial warranty.
