Product Description

Portable 3200-Watt Inverter Generator 50-State

SIMPSON® inverter generators are perfect for providing power at work sites, recreational facilities, residential locations and more. These units run more quietly than standard generator units, and provide a safe power source for sensitive electronics. The compact design allows for easy storage when not in use. Whether tailgating before a game, charging tools at a construction site or providing backup power for your home in case of a weather-related emergency, rely on SIMPSON for your power needs.

Features

- SIMPSON CRX® 212cc engine with recoil and electric start (50-State compliant)
 - LED Display
 - Clean power, safe for sensitive electronics such as laptops, chargers and TVs
