### Product Description

#### Tohatsu MFS6DWDS-X Outboard Motor

The 6 hp 4-stroke outboard provides all the power you need for motoring in a small craft. This engine provides fuel efficiency second to none, and a redesigned carrying handle and holding grip makes it convenient to transport! With all of this available at a competitive price, it is no wonder this powerful 6hp Tohatsu Outboard receives so much attention!

This portable best-seller has been upgraded with newly designed top and bottom cowls based on Tohatsu Design Philosophy for Marine Products with ergonomically designed front and back carrying handles. In addition, to the integrated fuel tank, the Tohatsu MFS6DDS also includes built in fuel connections enabling to connection of an external tank.

#### Tohatsu 6 hp 4-Stroke Benefits

- Newly designed top and bottom cowls based on Tohatsu Design Philosophy for Marine Products
- 3-way storage positions without worrying about oil spill
- Light and compact!
- Front mounted shift lever, an industry first in its class!
- Designed with proven technology
- Greatly reduced vibration for smooth and stable running at all speeds
- Greatly reduced induction noise for a quieter ride
- Ultra-low emission, EPA and CARB 3-Star rating approved
